OTTAWA, 24th August, 1928.

Sir,-

N.E. ¼ Sec. 30 Tp. 55 Rge. 6 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1926, the right to make a second homestead entry on the usual homesteading terms

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Joseph Keller, Esq.,
Elk Point,
Alta.

Acting Commissioner
of Dominion Lands.

P.S. You should communicate with the Agent of Dominion Lands at Edmonton in regard to the N.W. 17-57-5-W. 4th M., and he will inform you whether it is vacant and available for entry.

Dear Sir:

We represent the heirs of John Wall, deceased, who died about the year 1928 while residing on land homesteaded by him in the Province of Alberta. The land so owned by the decedent, insofar as we have been able to obtain the description, is:

> 174.6 acres in the Northeast Quarter (NE¼) and part of the Northwest Quarter (NW¼) of Section Thirty-two (32), Township Forty-eight (48), Range Seven (7), Fourth Principal Meridian,

Proceedings were commenced for the probation of decedent's estate and executors were appointed, but we as yet do not know whether probation was ever completed. Our present interest is in whether this decedent was the owner of oil and mineral rights in said land homesteaded by him or whether such rights were retained by the Crown, for the benefit of the Province of Alberta. It is our understanding that homestead grants made prior to the year 1930 carried with them oil and mineral rights to the homestead and that grants to homesteaders made in or after that year do not carry with them such oil and mineral rights. We do not know the date of the grant to John Wall. Would it be possible for you to locate in your records the grant to this decedent and advise us as to whether or not such

land grant included and conveyed to the grantee the oil and mineral rights in the property which is homesteaded. If this information is not available on your records, will you inform us as to where we might obtain it.

Thank you in advance for this information.

Yours very truly,

Lucien Brault

Dear Sir:

Your letter of the 21st of July, 1953, addressed to the Minister of the Interior, regarding the land in Alberta homesteaded by Mr. John Wall has been referred to this office for reply.

Our records disclose that on the 2nd of March, 1914, letters patent were issued to Mr. Wall for the Fractional S.E.¼ Section 32, Township 45, Range 7, West of the 4th Meridian, comprising 144.80 acres, and on the 2nd of July, 1915, he also received letters patent for the Fractional N.W.¼ of the same Section, comprising 29.80 acres.

In each case the grant included surface rights only and the mines and minerals, which include oil, remain vested in the Crown.

Yours very truly,

E.M. Madlem,

Dear Sir:

This office is interested in determining whether or not one James Franklin Hampton obtained letters patent about 1913.

It is reported that this man was born in Rafter, Tennessee on October 22, 1886, and that he was naturalized at Medicine Hat, Alberta, Feb. 25, 1913. His wife's name is indicated as Grace Evelyn Wetzel.

Very truly yours,

Ottawa, Ontario.

Dear Sir:

I have your letter of the 22nd of May, 1956, relative to your enquiry as to one James Franklin Hampton having obtained Letters Patent about the year 1913.

In reply, I wish to inform you that we are unable to trace any record of one James Franklin Hampton having obtained Letters Patent.

We do, however, have a record of one James Hampton having obtained Letters Patent on the 16th of April, 1913, for the North-west quarter of Section Twenty-three, Township Eight, Range Seven, West of the Fourth Meridian. His address at that time was Thompson, Alberta.

Mr. Hampton applied for homestead entry for the said land on the 17th of October, 1908, and gave as his Country of Birth: United States of America; Subdivision of Country of Birth: Tennessee; Last Place of Residence: Washington. In his sworn statement dated the 24th of July, 1912, he gave his age as 25 years. He also stated that his family consisted of his wife and two children. He was naturalized on the 25th of February, 1913.

Yours very truly,

Copy to the A.D.L. Lethbridge.
Ref. # 21570 MH.

Sir.-

N.½ ½ Sec. 18 Tp. 9 Rge. 10 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Arthur William Doman, Esq.,
Bow Island,
Alberta.

Acting Commissioner
of Dominion Lands.

Re: Account of Arthur L. Gould,
N.W. 27-18-18-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1920 seed grain amounting to $158.90 was advanced to Arthur L. Gould on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 158.90	$ 343.70	$ 502.60

Patent was issued in the name of Arthur Lloyd Gould for the N.W. 27-18-18-W.4th on the 18th of March, 1921, subject to the 1920 lien.

In reply to our questionnaire of the 24th of September, 1953, The Director of Assessments, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"Title to this parcel is vested in this Department, having been acquired through Tax Recovery proceedings. This land, vacant at present, is located in that part of the Province designated Special Areas and in view of this fact there is little likelihood of same being utilized for any purpose other than grazing or any disposition made other than by lease agreement."

The information obtained indicates that the land is unsuitable for farming purpose and is such that it is unlikely to be disposed of by sale in the near future and no longer offers any security of value for our lien. Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

APPLICATION TO PURCHASE

Frac. S.½ Section 27, Township 59, Range 3, West of 5th Meridian, lying West of River and comprising 59.20 acres, shown hatched in black on attached sketch.

I beg to submit the application of Mr. F. H. Ransome to purchase the above parcel.

Mr. Ransome holds under homestead entry dated the 20th January, 1909, the fractional S.½ of Section 7, shown outlined in black on sketch.

The parcel applied for was reserved for timber in May, 1909, for the use of the settlers. I would point out, in this connection, however, that in October last, the Agent forwarded here a report from the Timber Inspector, setting out that practically all the timber had been taken off the land by the homesteaders.

The Homestead Inspector in his report in connection with Mr. Ransome's application, recommends a sale to the latter at $3.00 per acre.

If a sale is authorized, it should, of course, be made subject to the applicant's earning patent for his homestead.

MEMORANDUM:

Frac. S. E. ¼ 27--59--2, W. 5th M., lying E. of Pembina River, and containing 78.8 acres, hatched in red on sketch.

I beg to submit the application of Mr. W. F. McDonald to purchase this parcel in connection with his homestead, the adjoining S. W. ¼ of Section 26, for which he made entry in April, 1913.

The parcel applied for was reserved for timber in May, 1909, for the use of the settlers. However, in October, 1912, the Agent forwarded here a report from the Timber Inspector setting out that practically all the timber had been taken off the land by the homesteaders.

The part of the S. E. ¼ of Section 27 lying west of river was sold in October, 1913, at $3.00 an acre to the homesteader of the S. W. ¼ of Section 27.

The papers on file show that Mr. J. C. Squarebriggs, who at one time held entry for the S. E. ¼ of Section 27, made certain improvements on the quarter section. However, it would appear from the Homestead Inspector's report furnished in connection with Mr. McDonald's application that there are now no improvements on the land having any value.

Mr. Britt filed on a homestead sometime between 1906 and 1917, in the High Prairie District in the Province of Alberta. Mr. Britt has filed his naturalization certificate which gives the date of his naturalization as May 22, 1913. The description of the homestead was the S. I have your letter of the 14th instant, requesting information as to the age given by Mr. Britt, at the time he filed on the above described land, as a homestead, on the 14th October 1908.

According to our records on file, on the 14th October 1908, he stated that he was 52 years of age.

In the application for patent dated the 11th June 1914, he stated that he was 53 years of age.

In support of his application for patent he furnished a Certificate of Naturalization, dated the 22nd May 1913. This document was subsequently returned to him.

Yours very truly,

13th February, 1935.

Dear Sir:

RE: N.W. 13-75-17-W.5th M.
George Britt - Claim A.13,981.

I have your letter of the 4th instant, in reply to mine of the 26th ultimo, and in reply beg to state that I am unable to state whether a typographical error was made in the recording of Mr. Britt's age.

When making application for entry on the 14th October 1908, the application form was completed by the Sub-agent of Dominion Lands at Lesser Slave Lake, the age inserted by the said Sub-agent was 52 years. It would appear that all Mr. Britt did in connection with the completion of this form was the signing of his name.

In his application for patent dated the 11th June 1914, which was completed by the Agent of Dominion Lands at Peace River, Mr. Britt apparently stated that he was 53 years of age, as this is the age filled in by the Agent of Dominion Lands.

B.

It would also appear that, as in the case of the application for entry the only part completed by Mr. Britt was that part set aside for his signature.

It is possible that either one of the officials mentioned may have incorrectly recorded Mr. Britt's age. These are the only two documents on file setting forth this gentleman's age.

Yours very truly,

J. Lorne Turner,
Director.

MEMORANDUM :-

Section 18 - 1. - 2 - 4. of 4th W.

West half - S.A.V.R. of H. W. Botsford
East half - S.A.V.R. of H. W. Botsford
Both entries dated 17th July, 1909.

Mr. Botsford claims that he has performed his duties in connection with the east half of section 18, but asks leave of absence in connection with the west half. Is in Malden, Ontario, with his sister who is at the point of death. Cannot say exactly when he can return.

Under Supplementary ruling No. 21 a request of this kind could not be granted, as Mr. Botsford has not perfected his entry, and does not claim serious accident, illness or calamity to himself, or to his wife or child.

Is any exception to be made in this case, and if so to what date is protection to be granted?

This opens up the whole question of dealing with settlers who have located two bounty Warrants, or have entered for a homestead and pre-emption and have taken the bounty warrant at the same time.

In dealing with such cases the Department has been careful that a strict compliance will be required with the regulations.

I would point out that ever [illegible] Botsford has already performed the necessary six months' residence for his other scrip location, the east half of section 18, he will be due to return to it by July next for the purpose of putting in six months for his second term, so that if he does not go into residence on the West half of 18 now he will not be free to perform the duties in connection with the West half until January, 1911, unless in case of unforseen or uncontrollable circumstances (see supplementary ruling No. 26 relating to protection after the entry has been perfected).

J. S. Greenway, Esq.,
Commissioner of Dominion Lands.

On the -

On the 17th of July next his second year will commence in regard to both of these locations, and if he has not by that time completed the duties for the West half, his entry will be in default, unless some special concession is given.

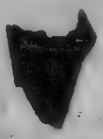

There will in all probability be a great deal of trouble with settlers of this class, because when entry is threatened with cancellation they will leave No.2 in order to protect No.1. Then when No.2 is threatened they will hasten back to it.

I should be glad to receive any general instructions which you may have to give in regard to this class of cases. Under ruling 86 no protection can be given until the entry has been perfected merely to suit the profit or convenience of the settler. There must be unforeseen or uncontrollable circumstances, either financial or otherwise, which render it difficult or impossible for him to continue duties without protection.

Does the general ruling, under which an entry has till the 1st of May, 1910, to show cause why its entry should not be cancelled apply to a case of this kind where a whole section is held by one person? The ruling is not limited in any way, but possibly it was not intended to apply in such cases.

Respectfully submitted,

Sir,

With further reference to my letter of the 2nd instant, I am directed to inform you that the instrument appointing you to substitute of Walter William Pippin has now been registered in this Department.

It will be necessary for you, however, for you to present yourself before the Agent of Dominion Lands at Calgary, and make the SE¼ of Section 33, Township 20, Range 3, West 4th Meridian, upon which Mr. Pippin located his South African Volunteer Scrip Land certificate, entered in your own name, after satisfying the Agent that you are a British subject, (or declaring your intention of becoming a British subject); that you are of the full age of 18 years, and subscribing to the usual application for entry.

As Mr. Pippin located his Land Certificate on the 27th September, 1909, it will be necessary that the entry be perfected within six months from that date.

Otherwise it will be liable to cancellation.

Dear Sir:-

We are informed that under No. H.4.510-6-1, dated at Ottawa the 27th of January, 1919, from the Department of Militia and Defence, a certain warrant, No. 4540, in favor of Robert T. Bingham was issued, and notice of same to be sent to Edward H. Nichols, Barrister, Merchants Bank Building, Calgary. The letter does not state that the warrant has been sent to Mr. Nichols.

There has been some difficulty between Mr. Nichols and Mr. Bingham in connection with the sale of his scrip, and Mr. Bingham fears that he will be defrauded entirely unless the warrant is sent to him. We had forwarded the Department of Militia and Defence an order from Mr. Bingham to send us the warrant, and the order was returned with a letter informing us that notice of issue of the warrant had been sent to Edward H. Nichols, Barrister, Calgary.

Enclosed you will find an order for the warrant to be sent to us, and we have this letter will reach you in time that the warrant may be sent, not to Mr. Nichols, Calgary, but to us here.

Memorandum:-

I beg to return Mr. Colonel Bingham's letter, Edgerton, the 21st instant, stating that through ignorance of the South African Volunteer Grants Act he was induced to enter into an agreement with T. Burt Nichols and the McCutcheon Bros., whereby he gave them a power of attorney for the consideration of $50, authorizing them to send his name and duly for his warrant; that the agreement stipulated that he was to be given a city lot in Calgary at the price of $125.00, and a further sum of $25. The parties failed to carry out this agreement he revoked his power of attorney, but as in the meantime they had obtained his Scrip Land certificate from the Department, he found himself powerless and to protect himself gave them, at their request, another power of attorney, and the agreement originally entered into was carried out.

Mr. Bingham states that these particulars are brought to your notice in order that the Department may be enabled to prevent any other of his comrades from being treated in the same manner as he was treated.

Respectfully submitted,

Chief Clerk.

Sir,-

N.W. ¼ Sec. 21 Tp. 48 Rge. 2 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who have perfected title, or may have become entitled thereto on or before the 1st January, 1930, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner of Dominion Lands.

Edward Hannem, Esq.,
Sunnybrook,
Alberta.

DOMINION LANDS ADMINISTRATION

OTTAWA, 4th September, 1919.

Sir,-

S.E. ¼ Sec. 10 Tp. 62 Rge. 6 West 5 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

Marion Davis, Esq.,

I have your letter of the 1st instant and in reply I am to state that when making application for patent for his homestead the land above described, on the 23rd June, 1916, Benoit Flamondon stated that he was a British subject by repatriation.

The entrant was then called upon to complete Form 32A and in completing same he stated that his father was naturalized a British subject in the year 1911 in order to qualify for patent for the N.T. 3-67-16-W.4th M.

In checking the father's application for patent executed on the 23rd October, 1911, it is noted that the father stated he was a British subject by birth and had always been a British subject.

I am forwarding a copy of this letter to the Inter-Secretary of State, Naturalisation Branch, in this City, with a request that he advise me as to whether he has record of the repatriation of Evangeliste Flamondon in the year 1911 as stated by the son. Sir,-

S.W. ¼ Sec. 27 Tp. 23 Rge. 13 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Fodder,	$14.50, dated 23rd Feb. 1915,
Fodder,	$10.50, dated 16th Jan. 1915,
Provisions and coal,	$25.00, dated 22th Feb. 1915,

All the above liens were signed by May J. Brown.

On enquiry at the Land Titles Office, Calgary, I am advised that the following liens have been registered at that office against the South East quarter of Section 35, Township 9, Range 12, West of the 4th Meridian,

Seed Grain,	$120.00, registered on 22nd June, 1915,
Seed Grain, and Relief,	$25.00, $100.00, both registered on 28th Sept. 1915,
Relief,	$25.00, registered on 22nd Nov. 1915.

It would, therefore, appear that out of the nine liens received from the Commissioner of Immigration, Winnipeg, only one would appear to have been registered at the Land Titles Office, Calgary.

I am, therefore, requesting the Registrar of the Land Titles Office, Calgary, to carry out registration of the liens

I beg to acknowledge the receipt of your communication of the 5th instant with regard to the cancellation proceedings instituted against the entry for the above described land on the 14th idem, therein you state that you will file no defence to the proceedings in question, provided you can secure the land as a homestead in your own right.

In reply I am to inform you that if you will furnish the Department with Letters Probate of the Will of your deceased husband if a Will were left, but if he died intestate with a certified copy of Letters of Administration showing you to be the legal Administratrix and with evidence that you are a widow with minor children dependent upon you for support, and that you can establish your eligibility under the recent amendment to the Dominion Lands Act with regard to securing entry in res "A", as set forth on pages three and four of the enclosed Hand-Book under the heading of "Area "A", the question of allowing you to abandon the land with a view to securing entry in your own right would be given consideration, but in the event of entry being granted to you, you would be required to furnish receipts showing the taxes on the land paid to date and to pay down one-quarter of the said certain indebtedness, assuming the balance.

On the other hand, if the entry is cancelled in default and the land posted, no assurance can be given you that you would be granted entry for the land as you would have to take your chances with any other eligible applicants, but should you be successful in securing entry, it would be necessary for you to assume the said certain indebtedness.

Memorandum,

Mr. Hume.

Re N.E.¼ 26-9-12 W. 4th M.
Pre. - Chester Brown (dec'd).
Entry - 19th July, 1909.

Cancellation proceedings instituted on the 10th April last for non-payment.

Patent applied for in January, 1921.

Amount owing including interest considerably over $700.00. Seed Grain indebtedness including interest to the 31st March last $468.58.

An Inspector in March last reported the crop in 1924 a failure, 35 acres broken, valueless; fencing, poor condition, worthless. Remarks,-

"Mrs. Brown does not wish to hold this land "any longer. She said that it is impossible "for her to make the payments, as it is all "she can do to make a living for her children "without making payments on land. She wants "the privilege to move the fence off the land.

Mrs. Brown on the 9th April last wrote to the effect that she had two minor children dependent on her and she wished to take up the quarter-section as a homestead.

She was fully advised on the 30th April of the steps she could take in order to acquire the land. She now writes to the effect that she has decided not to file on account of unforseen difficulties.

I would, therefore, suggest that the entry be cancelled and the land posted on form #828.

Sir:

I beg to acknowledge receipt of your letter of the 27th instant and note the land you request information on is the South East Quarter of Section 35, Township 9, Range 12, West of the 4th Meridian, the patented homestead of Chester Brown deceased, and not the North East quarter of Section 26, Township 9, Range 12, West of the 4th Meridian as stated in your communication. I find the Chester Brown Estate is considerably indebted to the Department for seed grain, fodder, and relief advances, and in order to avoid unnecessary trouble and expense should a seizure of the crop be made I would suggest that Mrs. Brown's share of the crop for 1928 be retained for a short period in order that I might communicate with her and have her complete an order on you to pay over to this office the proceeds or a portion at least of her share of the crop. By separate letter of even date I am communicating with Mrs. Brown in connection with this matter.

The debtor abandoned this land and taxes were allowed to accrue on the S.E. 35-9-12-W.4th with the result that title was taken by the Municipal District under provisions of the Tax Recovery Act in 1930. The municipality has recently been able to arrange a sale of this parcel for the sum of Nine hundred dollars ($900.00) and has requested an adjustment of these accounts. In view of the location of this parcel and the fact that it is presently assessed at Five hundred dollars ($500.00) it would appear that a fair price has been realized from the sale of same.

It is my recommendation that the proceeds of the sale be distributed on a pro rata basis between these accounts and tax arrears of Two hundred and twelve dollars and twelve cents ($212.12) first allowing a nominal sum of Five dollars ($5.00) to cover costs.

Cont'd p.2.

allocation of the monies on such basis will be as follows:

Costs	$5.00
Dominion Advances	$556.69
Joint Relief Advances	198.09
Taxes	179.62
	900.00

The records in the Department of Lands and Forests discloses that the S.E. 35-9-12-W.4th is unalienated Crown land. As there is now no possibility of obtaining any additional payment under the personal covenant and since no further security remains it is my recommendation that the accounts be so adjusted that after application of the sums provided for herein the same will be paid in full.

Provincial Seed Grain advances in the original amount of Six hundred and ninety dollars and seventy-nine cents ($690.79) have already been cancelled together with accrued interest.
